

In the sky on a lotus, sun and moon seat  
I see my Lama as Dorje Chang.  
Blue in color holding Dorje and Bell,  
Experiencing great bliss with his consort Jig chu ma.

On his crown a white OM, at his throat a red AH,  
From the blue HUNG in his heart many colors shine out  
Calling for the awakened from all ten directions  
Inviting them to melt into one.

To your blue lotus feet I bow Dorje Chang,  
With oceans of clouds I make triple offerings.  
The land, jeweled vase, the sun and moon,  
And all precious offerings I make unto you.

Powers supreme and powers mundane  
Follow upon pure devotion to you, my protector.  
Seeing this I forsake my body and even my life,  
Bless me to practice what will only please you.

Now my Lama requested comes to the crown of my head  
And dissolves until we both are one,  
I Dorje Sempa unite with Chom den ma,  
Holding Dorje and Bell and feeling great bliss.

Land, body and wealth and all virtues collected  
For the sake of all mothers I gladly release.  
I vow to protect all the vows I have taken  
Nor transgress even one for the sake of my life.

By means of holding both Sutra and Tantra  
May I liberate all living creatures completely.  
May the virtues collected flow on towards the Dharma,  
Preserve it and nourish the prayers of the masters.

I request that the grace of the three jewels of refuge  
Following on by cause and effect,  
Shall fulfill all the prayers that I now send forth,  
And lead me across to Enlightenment's shore.

### The Intermediate Six-Session Guru Yoga

In my heart I turn to the three jewels of refuge,  
May I free suffering creatures and place them in bliss.  
May the compassionate spirits of love grow within me,  
That I might complete the enlightening path.
